

# CAMP DANIEL

## MEGAN PETTY'S MISSIONARY JOURNEY

In October 2024, I joined the team at Camp Daniel in Athelstane, Wisconsin as a full-time missionary to the disability community. If you asked me a year ago, if being a full-time missionary was in my future, my answer would have been an astounding “no.”

However, here I am in Northeast Wisconsin with limited cell phone service and surrounded by deer. I've committed the next 12 months to live and serve alongside a group of missionaries who have dedicated their lives to not just loving and supporting individuals with special needs, but who have chosen to **ABIDE** alongside the disability community.

I'm writing this to ask for your financial support as I step into this new role, in a new state and with a new organization. While this transition has had its challenges, it has proven to be a reminder of how God is always working things out behind the scenes for us.

### ABIDE

- TO REMAIN
- TO CONTINUE
- TO STAY
- TO DWELL
- TO RESIDE
- STEADFAST & FAITHFUL

I join Camp just as they began developing their vocational training program, Camper Max and starting a new weekly Able Fellowship group, two things I love and have carried out throughout my time as The Happy Place Director. In addition to Camper Max and Able Fellowship, I will be involved with Special Olympics, the Oakhill Store, serving host groups, and much more!

The disability community continues to be one of the most underserved populations in faith communities. Access to Church, small groups, and discipleship are limited and often forgotten about and this is why the mission of Camp Daniel is so profound. At the core of all programs is the simple yet profound truth that God loves us, God made us and God has a plan for our lives.

## **GOD LOVES US / GOD MADE US / GOD HAS A PLAN FOR OUR LIVES**

Being a missionary requires that I ask my community for support through prayer, encouragement, and financial resources. To fulfill this mission, I will need to raise \$1,000 in monthly financial support to pay rent, food, transportation, and other living expenses. I am humbly asking you to consider committing to support me financially every month, be it \$10, \$20, \$50, or \$100. I have also set up an Amazon Wishlist for anyone interested in purchasing toiletry and household items. Simply click the icons below for more details!

I appreciate you taking the time to learn about this new chapter in my life! I'd love for you to follow along with me as I grow, learn, and abide at Camp Daniel!

I'm grateful for the support of friends and family in my missionary journey. As you consider contributing, know that all Camp Daniel staff are missionaries to people with disabilities and raise their own financial support. My mission is to serve within the disability culture, and I'm seeking 31 committed individuals who can contribute \$10, \$20, \$50, or \$100 monthly. Your support will enable me to continue vital work at Camp Daniel. Thank you for your consideration in joining me on this meaningful path.
