

## Hey Everyone,

I am so excited to announce to all of you that I got invited to be a year-long missionary intern at Camp Daniel. With that, I will need many prayers and support for this journey that I'm headed on that God has called me to.

When you hear "Camp Daniel" you may think of summertime, splashing in the lake, fun games, and it all happening from June to August. Camp Daniel is a YEAR-LONG ministry; it is not limited to summer camps! I will be leaving at the end of January 2026 to live at Camp Daniel with the other staff. While campers are not there, I will still be caring for the animals in the nature center. There are year-long animals like rabbits, snakes, turtles, and a leopard

gecko to care for. I will assist in completing maintenance jobs around camp, general upkeep, snow removal, and lawn care. I will be helping host events such as Holiday Getaway, Man Camp, Ladies Getaway, and Spring Getaway that are two-night weekend events for campers. There are special holiday one-day events like Spooktacular, Christmas Party, Alumni Homecoming, yard sale open house, and Dance for Disabilities. The grounds can also be rented out for private events, and I would be assisting in preparing the grounds for those.

Camp Daneil staff is also involved within the local disability and able-bodied community. Within the community, I will also help with monthly movie nights, Special Olympics, and the Able Fellowship. Camp Daniel has a movie theater onsite that we open up to the community monthly for a family fun evening. Offering a free movie night to anyone is a special way for the community to learn about Camp Daniel and the mission to serve those around us. Coaching both a basketball team and bowling team with Special Olympics will be part of my duties during the non-camp season. This could use some prayers as I am NOT a basketball player or a fantastic bowler!

Able Fellowship is a weekly evening dinner and Bible study aimed at those with disabilities, but the whole family is welcome. Sharing a warm dinner together, praying for one another, and digging into scripture in a way everyone in the room can connect and understand is something I am excited to learn more about.

As you can tell, this is a full-time gig! I won't be back in Buffalo to keep my job even on the weekends. I won't have time to get a part-time job in the local area in Athelstane either. I will be a missionary intern and will need to raise monthly funds, and I will need many people to help support me just like a normal missionary. I will be looking for partners to commit to

monthly giving to help raise my financial needs, as well as one-time financial gifts. I will be paying rent, buying my own groceries, paying car insurance, my cell phone bill, and so many other things just like AN ADULT!

Life is not cheap these days, so I'm asking you, if you feel led to, please support me. There are many different ways that you can support me. One way is financial, and another way is prayer. I can't express this enough, I will need many prayers throughout the year. One of the verses from the Bible that has been sticking out to me is:

Proverbs 3:5 NLT

*Trust in the Lord with all your heart; do not depend on your own understanding.*

I hope that you keep this verse close to your heart as I have been. It is a great reminder to us to lean on God in the hard times, so if you will pray this verse over me, I would greatly appreciate it. I will need to remember to lean on God and not on my own abilities. This internship will not be possible without the generosity of my family and friends! I am praying for each of you as well!

Sincerely,

Jeb Martin

### **What is Camp Daniel?**

Camp Daniel is a Bible camp for people who have a disability and they believe that everyone is loved by God.

### **Why am I doing this?**

I feel called to teach people with disabilities about Jesus Christ, so this is a great opportunity to learn more about disability ministries learning how best to serve a people group by actually serving them! Since 2023 and my first week at Camp Daniel, my heart has been pulled toward this special group that is often harder to connect to and often forgotten.

### **What are ways that you can support me?**

You can keep me in prayer and prayerfully consider if you can help me financially. My monthly goal needed is \$1,045. You can set up monthly recurring payments or onetime gifts for me on my Camp link for my newsletter and financial support <https://campdaniel.org/jeb-martin/> as well as Facebook
