

Jeb Martin Missionary Newsletter – January 2026

On January 30th I moved into Camp Daniel to begin the journey that I feel God has called me on. I'm so glad that the packing and unpacking is finally finished! I have set up my room at the Hartley House, Camp's missionary residence, and am getting used to camp life. My family got to come to camp and see it for the first time and it was so fun getting settled in with them here. I'm going to miss them.

At camp, everyone wears a lot of hats! Some of the things I will be doing include running the front of house in the dining hall, working with Special Olympics, participating in Able Fellowship, and caring for animals in the nature center, as well as general campus upkeep and filling whatever roles are needed during the many programs and groups we host.

Coming up in the next couple months: Girls Weekend Getaway, Man Camp, Spring Weekend Getaway. These are little tastes of summer camp throughout the year! I invite you to come volunteer at one of them! campdaniel.org/app/volunteer

Please consider joining my support team as I enter into this mission. My goal for monthly support is \$1,050 and I still need monthly donations. My goal is: 10 people at \$10, 10 people at \$20, seven people at \$50, and four people at \$100.

If you are not able to donate, please remember to keep me in your prayers. That is another way that you can bless me.

A verse and a challenge

This is a verse that I've been leaning on for this whole process:

Proverbs 3:5 Trust in the Lord with all your heart; do not depend on your own understanding.

This is another good verse:

Isaiah 26:4 Trust in the Lord always, for the Lord God is eternal Rock.

And so I challenge you to trust in God more in your everyday life.
