

Jeb Martin Missionary Newsletter - May 2026

I'm having so much fun working up here at Camp Daniel. It has been a joy doing Special Olympics basketball as well as the Weekend Getaways amongst all the other events at camp. The Girls Weekend Getaway, Man Camp, and Spring Weekend Getaway are action packed retreats that run from Friday- Sunday. These are a great way that campers can stay connected to the camp community throughout the year, and I've had a blast being part of them.

A rundown of what my week looks like

This is what I am responsible for when not hosting an event or group at camp or when we aren't preparing for something on the weekend.

- Monday - day off. This is a day that I can run my personal errands.
- Tuesday - Maintenance! This is a day where volunteers come help take care of the campus and it's Special Olympics basketball night.
- Wednesday - Able Fellowship! I attend the weekly meeting in the evening. Able Fellowship is a weekly Bible study for people of all abilities.
- Thursday - I clean! I am responsible for cleaning the office building on campus, the nature center, and helping with many of the facilities around camp.
- Friday and Saturday - Campus To Do list! I do things that I have on my to do list like vacuum the dining hall, sweep cabins, and yard work.
- Sunday - Church day! I go to church in Crivitz, WI and rest for the week .

Some of my favorite things to do so far at camp are the Nature Center, working in Big Al's, Special Olympics basketball, and hosting the Getaways. This schedule has switched up a bit now as we move into our summer season. Our weekly programs of Special Olympics and Able fellowship have ended. My weeks are filled prepping for weekend programs and preparing for summer camp.

A verse and a challenge

1 Peter 23:4

Cast all your anxiety on him because he cares for you, When I'm having a hard day I remind myself of this verse and I challenge you to do the same.

- Thank God for helping me finding a home church and for adjusting quickly
- Pray for the summer interns preparing to come for two months! Their names are Sammi, Danny, Clay, Evan, Maddie , Farrah, and Teagan.
- How you can be a part of Camp Daniel! Maybe God has a place for you to serve and visit me! Workdays, Weekend Getaway events, week long summer camp. We love volunteers!
